The Harvest Festival is a free event that provides an opportunity for the community to showcase its artistic and culinary talents. It also provides an opportunity for you to get acquainted with the local business. In addition the Harvest Festival provides a safe environment for the kids to dress up, carve pumpkins, play games and have an all-around good time. Come support the kids and local talents, and businesses while enjoying memories of your own childhood in a small town.

Castor Famous Bar B Q: 11am-2pm

\$4.50 Hamburger, Chips and Soda

\$3.50 Hot Dog, Chips and Soda

Tour of Eagle Mountain Pumping Plant: 1-3 pm

Whether you are a former Pumping Plant employee, a kid who grew up there, or just a curious observer this tour is worth taking. Many of us have lived so close but few have been granted access to mysterious inside workings of the Pumping Plant. Recently retired employee Glen Eastman will be volunteering his time to take you on a guided and informative tour of the Eagle Mountain Facility.

Tour of Eagle Mountain School: 1-3pm

The Desert Center Unified School Dist. has granted us access to the School through guided tours commencing every half hour beginning at 1pm. Due to some unfortunate theft that occurred a couple years ago, only 10 people per half hour will be allowed access to the school. A line will form at the gated entrance to the school at 1pm.

Kaiser Tour

Unfortunately we were unable to arrange a tour of the Town Site. We ask that you respect this decision which was based on company policy and liability issues.

This Reunion is being sponsored by the Chamber of Commerce and all activity by the reunion attendees will reflect on us, potentially threatening the possibility of future reunions.
